

Dear colleagues!

As previously reported, our international conference 'Balkan and Baltic States in United Europe: History, Religion, and Culture IV (Religiosity and Spirituality in the Baltic and Balkan Cultural Space: History and Nowadays)' has been postponed to November 11-13 this year. However, the unpredictable situation with Covid-19 made us think again about the best format of our meeting. We have decided that the conference will take place remotely using the Zoom platform. Consequently, the registration fee is cancelled, and the Latvian side will cover all costs related to the conference. We are sure that in this way, too, the conference will be exciting and successful both in exchanging knowledge and establishing new contacts.

Take care for yourself!

On behalf of Latvian organisational group,

Solveiga Krumina-Konkova
