Children's choir is composed of elementary school children, who are courageous, resilient, responsible and very well trained as singers. They are a friendly and creative team, many of

whom also study in sports, music and art schools.

We try to preserve the tradition of choir singing, expand the cultural horizon of the students and guide them to value both Russian and Estonian traditional culture, develop singing skills, and perform at song festivals.

We are very proud to have been part of the 2019 Tartu song festival (celebrating 150 years from the first song festival) as well as the XXVII song- ja XX dance festival „Minu arm“ in Tallinn.

We love to sing together! Life is music and dance!
